Our Support for the Community

At Wafa House, we are deeply concerned about the ongoing crisis in Gaza. Our mission has always been to stand up against any form of abuse and injustice, and to ease the burden of economic hardship by providing mental health, legal, and financial support to the Muslim and Arab community in New Jersey, many of whom are Palestinian. As our community and their family members face unimaginable challenges, we stand in solidarity with all innocent victims of violence and oppression. We also extend our heartfelt condolences to all innocent civilians affected by this crisis, and we hope for a swift end to the violence.

A Call for Help

We're heartbroken to see the loss of thousands of lives, many of them children. Our community members in New Jersey have lost family members or have loved ones harmed and displaced. We call on our elected officials to demand an immediate cease-fire and ensure the safety and well-being of all those impacted by the violence.
